<sup>1</sup> Products must be installed within 30 days of the sale.

<sup>2</sup> Sales exceeding the quantity limit listed and/or \$25,000 in incentives must be submitted for pre-approval through the [incentive portal](#). If a project is being done in phases, please include the total quantity and incentive dollar amount expected even if the products will be divided among several transactions.

<sup>3</sup> Products receiving the LLLC/NLC incentive must contain an integrated sensor and be part of a networked and commissioned lighting control system.

<sup>4</sup> Source QPLs can be found at the following link: [DLC](#). The specific requirements by product category are defined on the Midstream Lighting Eligibility Criteria document posted in the online portal under [Program Documentation](#).
