

Spend less now. Save more later.

Save up to \$2,000 per unit on lab grade cold storage equipment.

With Instant Rebates, you skip the paperwork and receive a rebate right on your invoice when you purchase qualifying high-efficiency lab-grade cold storage equipment and ultra-low temperature freezers from a participating distributor or manufacturer. You'll keep saving with lower energy costs over the lifetime of your new equipment.

Getting Started is Easy

- 1. Find a participating distributor below.**
- 2. Choose qualified equipment.** Work with your distributor to determine what qualified product (below) is right for your facility.
- 3. Receive your instant rebate.** Confirm your equipment will be installed at a non-residential facility with an active Eversource, Liberty, New Hampshire Electric Co-op or Unitil account, and your rebate will be applied as a discount on your invoice.
