Apply online at [NHSaves.com/Rebates](https://nhsaves.com/Rebates) or mail completed, signed application and all documentation to: **Resource Innovations**, 1337 Massachusetts Ave, PO Box #228, Arlington, MA 02476. Save copies of original documents for your records.

# TERMS AND CONDITIONS

**REBATE FORM:** This rebate form must be filled out completely, truthfully, and accurately. The customer must date and submit the completed rebate form along with all required documentation for specific rebates and/or incentives. By submitting the rebate form, the customer agrees to abide by these Terms and Conditions. Program is subject to change without prior notice, including rebates and incentive levels.

**TIME LIMIT:** Qualifying units for equipment rebate must be purchased and installed between January 1, 2026 and December 31, 2026. Rebate forms must be postmarked by January 30, 2027.

**PAYMENTS:** From the time the rebate form is processed and approved, please allow 6–8 weeks for payment. Payment processing will take longer if information or documentation is missing from the rebate form. This program is funded by the NHSaves® utility partners.

**GEOGRAPHIC REQUIREMENTS:** Offers valid only for residential electric customers of a participating New Hampshire utility where the NHSaves programs are offered by Eversource, Liberty, and Unitil (referred to as the NHSaves utility partners).

**PROOF OF PURCHASE:** A copy of the customer's paid invoice itemizing the purchased equipment must accompany each rebate form. The invoice must indicate the equipment make, condenser and indoor unit model numbers, installation date and address, total install cost, and proof of payment.

**APPROVAL AND VERIFICATION:** The NHSaves utility partners reserve the right to conduct field inspections to verify installations prior to payment. Projects are randomly selected for inspection. Refusing a post-installation inspection could result in forfeiting your rebate.

**TAX LIABILITY:** The NHSaves utility partners will not be responsible for any tax liability that may be imposed on the customer or contractor as a result of the payment of rebates.

**ENDORSEMENT:** The NHSaves utility partners do not endorse any particular manufacturer, product, system design, or technology in promoting these offers.

**LIMITATION OF LIABILITY:** The NHSaves utility partners and their rebate administrator's liability is limited to paying the rebate and incentive specified. The NHSaves utility partners and their rebate administrator are not liable for any consequential or incidental damages or for any damages in tort connected with or resulting from participation in these offers.

**LIABILITY AND RELEASE:** As part of the consideration for participating in the program, customer hereby releases and shall indemnify, hold harmless and defend the NHSaves utility partners, their affiliates and the rebate administrator from any and all claims, losses, harm, costs, liabilities, damages and expenses (including attorneys' fees) of any nature whatsoever arising directly or indirectly out of or in connection with the installation of the equipment at the premises or any material and labor required for such installation.

**WARRANTIES:** THE NHSAVES UTILITY PARTNERS DO NOT WARRANT THE PERFORMANCE OF INSTALLED OR SERVICED EQUIPMENT, EXPRESSLY OR IMPLICITLY. The NHSaves utility partners make no warranties or representations of any kind, whether statutory, expressed, or implied, including, without limitations, warranties or merchantability or fitness for a particular purpose regarding the equipment or services provided by a manufacturer or vendor. Contact your contractor for details regarding equipment performance and warranties.

**ELECTRIC BENEFITS:** Other than the energy cost savings realized by customer, the NHSaves utility partners are entitled to 100% of the benefits and rights associated with the energy-efficient measures, including without limitation ISO-NE products and all other attributes, credits or products associated therewith under any regional initiative or federal, state or local law, program or regulation or program, and customer waives, and agrees not to seek, any right to the same.

## ELIGIBLE EQUIPMENT AND INCENTIVES—LIMITED FUNDING

EQUIPMENT		MINIMUM REQUIREMENTS	REBATE AMOUNT
Air Source Heat Pump	Ducted	Refer to NHSaves.com/HPQPL	\$250 per ton*
	Ductless		
Air Source Heat Pump Replacing Electric Resistance	Ducted	Pre-Verification Required NHSaves.com/GetVerified; Refer to NHSaves.com/HPQPL	\$1,250 per ton*
	Ductless		
Central Air Conditioner	-	Must be ENERGY STAR® certified	\$70 per ton*
Wi-Fi Thermostat**	-	Must be installed with a qualified heat pump system	\$85 per unit

\*Rebate based on tonnage calculated by dividing AHRI cooling capacity by 12,000. (Example: 40,000 btu's cooling/12,000=3.33 tons. 3.33 tons x \$/ton=rebate). Limit five (5) tons per account. Customers who heat primarily with electric resistance and are installing qualified heat pumps may be eligible for up to \$1,000 per ton in addition to the standard \$250 per ton rebate. Pre-verification is required. Visit NHSaves.com/GetVerified prior to your heat pump install to pre-verify.

\*\*Wi-Fi connections must be internet enabled. Rebate not to exceed purchase price. Limit one (1) thermostat per heat pump zone installed per account.

**Qualifying equipment must be installed between January 1, 2026 and December 31, 2026, and while funds are available, to be eligible for a rebate. Rebate payment not to exceed 100% of total installation cost.**

Visit [NHSaves.com/HeatingCooling](https://NHSaves.com/HeatingCooling) for details

Owner/Contractor may be required to provide documentation that equipment meets program guidelines to qualify for rebate. Owner should verify with contractor that electrical service will meet the load requirements of the new equipment.
